in the National Touring Company of Les Miserables, and later portrayed the role of two months in the Broadway production at the wikipedia:Imperial Theatre in several community theatre productions in Hawaii – most notably as Jean Louise “Scout” Finch in Manoa Valley Theatre’s revival of To Kill a Mockingbird in 1998. In 1999, Parrish landed her first substantial television role in NBC’s action series Baywatch, appearing in two episodes as Hima, a young girl whom Mitch Buchannon (David Hasselhoff) saves from drowning. In 2000, Parrish was featured in Disney’s live-action television film based on the Pinocchio story Ceppetto, portraying the role of Natalie. She then went on to appear as Vanessa in The WB’s short-lived sitcom The O’Keefes. Parrish also appeared in shows and made-for-television films on the Disney Channel, and also guest-starred in Fox’s sitcom The Bernie Mac Show, Nickelodeon’s children’s comedy-drama series Zoey 101, and Fox’s teen drama series The O.C.. Parrish then portrayed Bratz member Jade in the 2007 live-action film Bratz. The role was her first in a motion picture, as well as her first starring role. In May 2007, shortly before the release of Bratz, she was signed to the William Morris Agency. She then landed a recurring role in the NBC supernatural drama series Heroes. Parrish played Mona Vanderwaal for the duration of the Freeform teen drama series Pretty Little Liars, based on the book series by Sara Shepard. Mona is introduced in the first season as a teenage outsider who uses her intelligence and resources to torment others anonymously. In March 2012, Parrish was promoted to a series regular for the third season and stayed a regular for the remainder of the series. For her performance as Mona, she won Choice TV – Villain at the Teen Choice Awards four times from five nominations. In February 2012, Parrish returned to her stage roots in a production of the musical Spring Awakening. She portrayed Anna, while also understudying the lead female role of Wendla Bergmann. That same year, she had a supporting role in the romantic comedy-drama film Celeste and Jesse Forever. She subsequently guest-starred in the CBS drama series Hawaii Five-0, playing the role of Rebecca Fine, an ambitious and strong-willed chemistry student, and made a guest appearance in Lifetime’s fantasy legal drama series Drop Dead Diva as cheerleader Chelsea Putnam. Also in 2014, Parrish led the cast of the Lifetime thriller film High School Possession as Lauren Brady. The following year, she had a guest role as villainess Jillian Havemeyer in NBC’s comedy-drama series The Mysteries of Laura. In 2017, she guest-starred in Fox’s procedural drama series Rosewood, playing Selena Monet, a young popstar. In November 2017, Parrish began portraying Sandy Dumbrowski in a Toronto production of Grease, alongside Katie Findlay. She then portrayed Lisa Wagner in the romance film Until We Meet Again, alongside Jackson Rathbone. Parrish co-starred as Margot Covey in the film adaptation of Jenny Han’s young adult romance novel To All the Boys I’ve Loved Before, with Lana Condor and John Corbett, and appeared alongside Angela Trimbur and Fairuza Balk in the home-invasion thriller Hell Is Where the Home Is. Parrish will co-star with Mickey Rourke in the upcoming boxing drama Tiger. She reprised her role as Mona Vanderwaal in the Pretty Little Liars spin-off drama series, Pretty Little Liars: The Perfectionists. Music[] At age eight, Parrish won a statewide singing competition in Hawaii. She began writing her own music as a teenager and eventually became the lead singer of the three-piece girl group, Impulse. In 2007, Parrish was signed to Geffen Records as a solo artist to produce her first album. Her first single, "Rainy Day", which she wrote herself, and its music video, was released on July 7, 2007. The song also featured on the Bratz soundtrack. Parrish made appearances in Prima J's music video for "Rock Star" and NLT's music video for "She Said, I Said", which were both featured on the Bratz soundtrack. She also provided background vocals for the latter. In April 2015, she released two songs, "Heart Made of Stone" and "Senseless", both of which she co-wrote with Vince Pizzinga. Other ventures[] In August 2014, Parrish was announced as one of the celebrities competing on the 19th season of Dancing with the Stars. She was paired with professional dancer Valentin Chmerkovskiy. During week three, "Movie Night", the couple became the first to earn a perfect score with their Jazz dance, and held the record for earliest perfect score on the show (the record was later matched by Bethany Mota and her partner Derek Hough on the same night). Parrish and Chmerkovskiy reached the final but ended up in third place, behind Alfonso Ribeiro and Sadie Robertson, who took first and second place respectively. Parrish is popular on social media and endorses products such as beauty and wellness products on Instagram. She has partnered with several brands, including Room & Board Modern Furniture products, Beauty Rest Black mattress, and Glade candles. Personal life[] Parrish began dating chemical engineer Chris Long in September 2016 and became engaged to him on October 23, 2017. They married on September 8, 2018, at Kualoa Ranch, Oahu, Hawaii. References[] Learning how to play piano may take time but is manageable with proper training. While it is possible to learn how to play by ear, it is important for beginners to get familiar with music notes by practicing pitch and keys off of sheet music, instructional books or online learning tools. This will go hand in hand with understanding piano keys and practicing classic basics like "Do-Re-Mi." One trick to learning piano is by playing easier songs, such as Christmas carols, children's songs or music that you love and are passionate about. Understanding and practicing sheet music for piano beginners may be a challenge at first but is a must in order to achieve playing piano at an intermediate level and beyond in the long run. Some basic piano knowledge to understand is as follows: The Staff: The set of five horizontal lines and four spaces representing a musical pitch.Treble Clef: The music symbol known as the G clef, located above middle C on the second-lowest line of the staff.Bass Clef: The symbol of music on the fourth line of the staff indicating that it relates to the F next below middle C.Music Notes: Notes are signs used in music to represent the duration and pitch of a sound.Chords: Chords include a group of notes together as a form of harmony. Often, there are two or three or more chords in music which sound simultaneous together.Scales: A scale is a set of musical notes ordered by frequency or pitch. In piano, there are 12 keys in an octave; thus, there are 36 scales total unless you are adding chromatic scales, which would total to 48 scales.Finger Placement: How your fingers rest on specific keys. The correct hand position for piano depends on the type of finger. For example, the thumb finger may go on middle C. The above music sheets are from 8Notes.com. Visit them for more music sheets.
